Re: *Telecommunication Relay Services and Speech-to-Speech Services for
Individuals with Hearing and Speech Disabilities* – CG Docket No. 03-123
Ex Parte Notice

Dear Ms. Dortch:

On December 19, 2005, A. Richard Metzger, Jr. and the undersigned of Lawler, Metzger, Milkman & Keeney, LLC, counsel to Sorenson Communications, met with Michelle Carey, Legal Advisor to Chairman Kevin Martin of the Federal Communications Commission concerning issues pending before the Commission in the above-referenced proceeding. The discussion included a description of the initial phase of Sorenson's plan for handling E-911 VRS calls and Sorenson's opposition to the petition for declaratory ruling filed by the California Coalition of Agencies Serving the Deaf and Hard of Hearing (CCASDHH) as unsound as a matter of policy and inconsistent with the objectives of Section 225 of the Communications Act of 1934, as amended. Issues related to access to emergency services and video relay service providers were discussed at the meeting, as reflected in the attached presentation.

Pursuant to the Commission's rules, this letter and the attached presentation are being submitted for inclusion of the public record in the above-referenced proceeding.

Sincerely,

/s/ Ruth Milkman
